Ramblers Extend Home Win Streak To Four Games

Playing heads-up hockey all the way, Didsbury Ramblers handed the Stettler Imperials one of their worst beatings of the season last Thursday night when they hammered in nine goals compared to three for the visitors.

A good crowd saw Dal Diebold do better than a "hat trick" when he accounted for four goals for Didsbury. Other local scorers were Kirk (2), Papke, Liesmer and Ing.

DIDSBURY 5, LACOMBE 4

In a thrill-packed game at the Memorial Arena Saturday night, Ramblers drew within one point of their opponents when they lasted out for a 5-4 overtime victory over Lacombe.

There were few dull moments in the entire 70 minutes of hockey, which was played on sugary ice and the outcome was definitely in doubt until the final whistle.

In the dying minutes of the extra session the visitors pulled their goalie in favor of a sixth forward but sterling work by Ken Papke in the Didsbury net saved the game.

Kirk picked up two goals in the game with singletons going to Wilton, Diebold and Liesmer.

Lone Pine W. I. Discuss Handicrafts

The Lone Pine W.I. met at the home of Mrs. L. Ahlgren on Jan. 14 with 10 members and one visitor present. Miss Smith has been asked to visit the institute.

Lunch will be served at farm films the latter part of February, proceeds to go to the "Milk For Greece" fund. A \$5 donation was sent to the girls' club.

Handicrafts were discussed and these are to be made for the bazaar. It was decided to give members attending all meetings and following program a book as prize at the end of the year.

The "bit of fun" was won by Mrs. Harold Shells and the 10¢ draw, which netted \$1.20, by Mrs. Pete Schumaker.

The meeting closed with "God Save The Queen" and potluck lunch was served by the hostess.

BERGEN NOTES

(From Our Own Correspondent)

A good crowd enjoyed the chicken supper at the Bergen hall on Jan. 9. In spite of the blizzard which followed the chicken, Mrs. Dave Davidson and Mrs. Don Cook did a wonderful job planning the supper. Mr. David Burke then started the bingo rolling and \$135 was raised for Bud Aufstedt, to whom we all wish every success as he takes further medical treatment in the veterans' hospital in Edmonton.

Mr. Lloyd Kibbiewhite was re-elected president of the local Home and School Association. Other officers elected were: vice-president, Mrs. E. Straub; secretary, Mrs. Kay Cook; and Mrs. W. Scott, Mrs. Ross Ellis, Mrs. J. Kynel and Mrs. D. Clarke comprise the program and social committee. Mrs. G. Bradley was elected membership convener.

Meetings will be held alternately in the Bergen and Red Deer Valley schools on the first Friday evening of each month. The February meeting will be at the latter school. Everyone is welcome.

Mrs. Walter Gamble is home after spending a few days in the Didsbury hospital, having suffered a spine injury in a car accident.

Rev. and Mrs. Swain spent the weekend at Acadia Valley, taking the services at the church there. Rev. Alvin Traub of Didsbury preached Sunday at the V.M. church.

Mrs. Olaf Haug and son Riekey left for their home in Winnipeg after spending two weeks at the home of Mrs. Solveig Clarke.

Mr. and Mrs. L. Meckelberg and girls attended the funeral of the former's brother-in-law in Calgary last week.

C.P.R. TRAIN TIMES AT DIDSBURY

NORTHBOUND:

No. 527—10:01 a.m. (flag stop) Sunday only.
No. 523—11:24 daily except Sunday.
No. 525—6:21 p.m. daily.
SOUTHBOUND:
No. 522—4:59 a.m. daily.
No. 524—12:23 Noon daily.
No. 526—5:00 p.m. daily except Sunday.
No. 528—6:21 p.m. (flag stop) Sunday only.

RED DEER HERE SATURDAY

Red Deer's entry in the Central Alberta Hockey League, presently tied for first place with Olds, will make their first appearance at the season on local ice Saturday night.

Game time is 8:30 and judging from the past few performances of the Ramblers, it should be a good you should sit in on.

WESTERDALE

(From Our Own Correspondent)

A meeting of the Willing Workers was held at the home of Mrs. Ben Kershaw last Wednesday afternoon with but few members present. The meeting opened with repeating of the creed. Roll call was answered with "What we did on Christmas Day."

Owing to the absence of the secretary, Mrs. Ben Kershaw filled the vacancy.

After the reading of the minutes and correspondence, the afternoon was spent completing the year's booklets.

It was decided to hold another whist party on Jan. 26 at the hall. If the weather is too cold the party will be transferred to the home of Mr. and Mrs. Ben Kershaw. It was agreed that coffee and sugar be purchased for card parties and also that prizes for whist continue to be purchased by the club for the remainder of the season.

The tea money hostess prize was won by Mrs. H. Jackson. The February meeting will be held at the home of Mrs. W. Wiggles and roll call will be a home-made Valentine potpourri.

A square dance will be held at the hall this Thursday evening with the Merry-makers orchestra in attendance. Coffee will be served. Bring your own lunch.

The local hockey team journeyed to Olds Saturday evening where they took a 7-1 defeat from the Olds boys. Jim Jackson scored the lone Westerdale goal.

The school children had three days' holiday last week due to the illness of the teacher, Mr. Wilton. Due to the extremely cold weather, last Monday evening, the card party which was to have been held at the hall took place at the F. J. Jackson home, with only four tables in play. Top prizes went to Mrs. W. Wiggles and Mr. Art Jones, while consolation went to Barbara Jackson and Robert Jackson.

DIDSBURY HIGH SCHOOL TEAM TIED FOR LEAGUE LEAD

With three wins and one loss, the Didsbury entry in the district high school league are tied with Olds for the league lead.

In games during the past week the boys dropped one game to Olds, 5-4 and won a close one from Crossfield, 3-2.

Pictured above is Dal Diebold, high-scoring forward of the Didsbury Ramblers, who racked up seven points, five goals and two assists, in two home games last week. Be on hand to see the boys in action against the powerful Red Deer club on Saturday night. Game time 8:30 p.m.

South West Didsbury

(From Our Own Correspondent)

Mr. and Mrs. Jack Edwards and Barry Gore attended Mrs. Livingston's funeral at Olds on Thursday.

Mrs. George Meyer visited with Mrs. Tom McNair Saturday afternoon.

Mr. and Mrs. E. A. Beadrick, Mr. and Mrs. E. Dippel and family, Mr. and Mrs. M. Dippel and family, were Friday dinner guests of Mr. and Mrs. Jack Winterbottom and Linda.

Mr. and Mrs. J. E. Cunningham and Mr. and Mrs. E. N. Hodgson were Sunday dinner guests of Mr. and Mrs. L. Tuggle.

Mr. and Mrs. L. Hunsperger, Allan and Larry, were Tuesday visitors with Mr. and Mrs. E. Shantz.

Mr. and Mrs. Eldon Thede and family and Mrs. D. Wood were Sunday dinner guests of Mr. and Mrs. L. Hunsperger and family.

Sunday dinner guests of Mr. and Mrs. H. W. Folkman and family were Mr. and Mrs. Carl Meyer and family, Mrs. George Meyer and George, Mrs. K. Goelgen, Mr. and Mrs. C. Berrett were Sunday afternoon visitors.

MOUNTAIN VIEW

(From Our Own Correspondent)

(This Week)

Mrs. Arthur Gehers and Mr. Eric Atkinson visited in Calgary last Tuesday with Mr. and Mrs. Hansen and Mrs. Eric Atkinson and son.

Mr. and Mrs. Cliff Helgren, Lorrie and Roy, visited Sunday afternoon with Mr. and Mrs. L. Hunter.

Mr. and Mrs. Thomas McCall of Three Hills were dinner and supper guests with Mr. and Mrs. Grenville McCall and girls.

Patented congratulations are extended to Mr. and Mrs. John Hodgson on their 25th wedding anniversary which was on Saturday, Jan. 17.

(Last Week)

Mr. and Mrs. Herschel Fry and family have as their visitor, Mr. McLeod of Banff, the latter's father.

Mr. and Mrs. David Pratt had as their supper guests Thursday evening, Mr. and Mrs. Alec Pratt, Mr. and Mrs. Harold Pratt and Mr. and Mrs. Miller.

Mr. Arthur Gehers and Myron were Calgary visitors on Friday. Congratulations are extended to Mr. and Mrs. Howard Charleton on the birth of a daughter, Jan. 2.

Mr. and Mrs. E. Stiles had as their dinner guests Sunday, Jan. 11, to celebrate the occasion of their 23rd wedding anniversary, Mr. and Mrs. A. C. Webb and Miss Joan Webb of Three Hills.

The local club will meet at the home of Mr. and Mrs. Ed Stiles on January 21.

Mr. and Mrs. Roy Allan and family of Carstairs visited Sunday with Mr. and Mrs. Harold Shultz and family.

Mr. and Mrs. Ed Stiles visited Sunday with Mr. and Mrs. Ben Booker in town.

Mr. and Mrs. Joe Hunter and boys visited Saturday evening with Mr. and Mrs. Roger Stinchcomb and family.

Mountain View Institute Meets

(From Our Own Correspondent)

The regular meeting of the Mountain View W.I. was held at the home of Mrs. Ed Blain with 12 members and four visitors present. Roll call was answered on how to make the W.I. more interesting. The new program books were discussed and last minute things added.

Discussion of the sewing course took place and it was decided to have Miss Smith, home economist, to the April meeting to demonstrate how to dress patterns.

The card parties are to be started at the home of Mrs. G. Tighe on Jan. 21 for the first card party.

A picture show is planned for the hall on Jan. 30 and a blanket and flashlight will be raffled. Everyone is to bring lunch and it was decided that a collection would be taken for the "Milk for Korea" fund.

Mrs. Stiles gave an interesting

Sorenson Rink Chalk Up 11 Wins In Local Bonselpiel

MAILING LIST

Due to an overload of work and other circumstances we have been unable to bring our mailing list up to date. Any of our subscribers who have paid their dues within the past month or so may rest easy as we have got a record of it on our books. You fellows who are in arrears, let's hear from you.

East Notes

(From Our Own Correspondent)

A number of men and women entered the mixed bonselpiel last week at Midway. Winning rinks were as follows: Underhays and Schmick; Mr. and Mrs. Roy Milne and daughter were Sunday supper guests of Mr. and Mrs. Corrie Pauls. Mr. Fred Metz and Peter Schumaker were Friday business visitors in Calgary. Mr. Jack Underhays was a Thursday visitor to Calgary.

Mr. and Mrs. Bell of Calgary were Friday callers on Mr. and Mrs. Alf Thompson and family and Mrs. Lucille Thompson.

A number of people from the district took in the Pratt wedding dance on Friday and all reports were that they had a very good time and a very large crowd was there.

Stanley Schumaker and Miss Jessie McCulloch and Charlie Mardon called on Mr. and Mrs. Schumaker on Sunday.

With 12 rinks entered, 22 visitors and 20 from the home club, Didsbury's most successful bonselpiel wound up at the local curling rink on Saturday evening.

Grand aggregate honors went to the Cliff Sorenson rink, which went through the entire "spiel" without a loss. In all they chalked up 11 wins. Personnel of the rink included: Cliff Sorenson, skip; Jay Tuncle, L. Spruille and C. Shannon. Following is a rundown of the winners in the four events:

Berscht Event

1st, C. Sorenson; 2nd, B. Day, Carstairs; 3rd, H. W. Pedersen, Carstairs; 4th, E. M. Morrison, Carstairs.

Merchant's Event

1st, C. Sorenson; 2nd, E. M. Morrison; 3rd, J. Freeman; 4th, C. Klys, Carstairs.

Citizen's Event

1st, W. L. O'Dell, Cremona; 2nd, A. D. Stevens, Crossfield; 3rd, F. Taylor, Midway; 4th, C. Pratt.

Rosebud Event

1st, C. Pratt; 2nd, S. Owens, Carstairs; 3rd, L. Clayton; 4th, Anslay Bros., Carstairs.

MIDGETS REGISTER WITH AMATEUR ASSOCIATION

Didsbury Huskies, the newest local school team, midget age, registered with the Alberta Amateur Hockey Association, will play their first home game at the local arena against Innisfail midgets on Wednesday, January 28. Come out and support this team in their first game.

Mrs. Lila Wiggins Installed Worthy Matron Of O. E. S.

Monday evening January 12th, 1953 marked the installation of officers for St. Hilda's Chapter No. 27 of O.E.S. in the Masonic hall, members of King Hiram Lodge No. 21, A. F. & A.M. and their ladies were invited guests and there were several visitors and friends present.

Sister Helen McGhee, past Grand Matron of the Grand Chapter of Alberta was installing officer, assisted by Sister Marjorie Leeson, organist. Sister Helen Gibson, Chaplain, Sister Ellen Richardson, conductress, Sister Mildred Blore, Marshal.

The ceremony opened by Sister McGhee conducting an address in commemoration of the Queen, followed by a candlelit drill presented by Beverly Wiggins, Lorna Wiggins, Judy Law, Bonnie Clarke, Pat Halliday, Elaine Kimmel and Maureen Frew. These girls sang the O.E.S. conditions during the evening accompanied by Mrs. Dorothy Thring, which was greatly enjoyed.

Each newly installed officer received a carnation, after which Sister McGhee gave a very impressive address to the newly installed St. Hilda's.

The following are the new slate of officers for 1953: Worthy Matron, Sister Lila Wiggins; Worthy Patron—Bro. Henry Richard.

Assoc. Matron Sister Sadie Clarke; Assoc. Patron—Bro. Reid Clarke; Secretary—Sister Dorothy Prevost; Treasurer—Sister Helen Eubank; Conductress—Sister Christine Holub; Assoc. Conductress—Sister Della Thompson.

Organist—Sister Joyce Berscht; Chaplain—Sister Charlotte Thompson; Marshal—Sister Gladys Waugh; Adah—Sister Beth Fulkner; Ruth—Sister Inez Nuffler; Esther—Sister Pauline Morton; Flaceta—Sister Geraldine Scott; Warden—Sister Mildred Blore; Sentinel—Sister Alice Ahlgren.

Two wires were received from Sharon, Chapter No. 32—Carberry Manitoba and Queen Mary Chapter No. 5, Sherbrooke, Que. wishing the new Worthy Matron Sister Lila Wiggins a very successful year.

The evening came to a close with lunch served in the banquet room. Bro. Harry Richardson proposed the toast: The tables were prettily decorated and a large bouquet of "Mums", the gift of Mr. Len Berscht, centred the head table.

Many varied subjects in "did you know that?"

The secretary was instructed to send for information on "Within Our Borders" and "Adult Leadership Courses."

Mrs. Worrall gave an interesting book review on "We Took To The Woods."

Mrs. Arthur Gehers made a presentation on behalf of the W.I. of a bedroom lamp to the past secretary, Mrs. Winnie Butner, for the splendid job she has done in the institute. The 10¢ draw netted \$2.00 and the meeting closed with "God Save the Queen."

Shown here is Mrs. Lila Wiggins who was installed as Worthy Matron of St. Hilda's Chapter, Order of the Eastern Star on an impressive ceremony here on Monday, January 12.

LIBERALS ARRANGE JOINT PUBLIC MEETINGS

Candidates representing the Liberal party in the next federal election will be asked to address joint public meetings with candidates of other political parties to allow the voters to compare the merits of the party platform and the qualifications of the candidates.

This was announced by W. J. Edgar, of Innisfail, president of the Alberta Liberal Association, who presided at an executive meeting of that body held in Calgary on January 10.

Mr. Edgar also announced that the Liberals will contest every constituency in the province in the forthcoming federal election and predicted that considerable gains would be made.

Already nominated are J. W. Welbourn for Jasper, C. B. Carigan for Peace River, and A. Fred MacDonald for Edmonton on East. Bow River Liberal Association will nominate a candidate on January 14th at Bowker, and the Red Deer constituency will name a Liberal candidate at a convention being held in Innisfail on March 30.

Plans were made at the meeting to enable more young people to participate in political affairs. J. Harper Prowse, Provincial Liberal leader, and leader of the Opposition in the legislature, was in attendance. Guests at the meeting were the Honourable George Prud'homme, Minister of Manpower and Technical Services, and Senator J. W. Stambaugh of Bruce, past-president of the association.

QUESTIONS ANSWERS

Cancer

Question: Is cancer "catching" or contagious?

ANSWER: No. Cancer is neither infectious or contagious. There is no record in medical literature of physicians or nurses getting cancer from their patients.

Know Cancer's Danger Signals

U.S. WHEAT SITUATION

Concern is being expressed in the United States over the large volume of grain, some 408 million bushels, which has gone into the government loan. If the price does not rise by spring, farmers will liquidate their indebtedness to the government on the wheat loans simply by turning over the grain to the Commodity Credit Corporation.

The U.S. wheat carryover from 1951 was 275 million bushels and the crop 1,300 million bushels. Exports in the current crop year may reach 350 million bushels. The carryover next July may go as high as 560 million bushels. The all-time record U.S. carryover was 631 million bushels.

MOUNTAIN VIEW, No. 49

NOTICE is hereby given that the assessment of the previous year has been adopted under the provisions of The Assessment Act, and that the assessment roll of the said municipality has been duly prepared, and that if any person thinks that any property has been wrongfully assessed, or assessed too high, or too low, or that his name or the name of any other person has been wrongfully entered upon or omitted from the roll, he may at any time prior to the 31st day of January notify the secretary-treasurer in writing of the particulars and grounds of his complaint.

DATED at Didsbury, this 12th day of January, 1953.
J. RIDDOCH,
Secretary-Treasurer

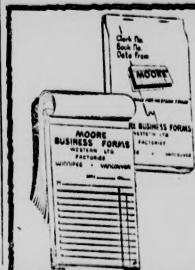

CHRISTIAN SCIENCE

The everlasting strength and the comfort of the Word of God will be the basis of the lesson-sermon on "TRUTH" at Christian Science churches on Sunday. It includes this exhortation by the Apostle Paul to Timothy, in the Bible: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works." (2nd Tim. 3: 16 and 17). And this text of Christian Science, from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As adherents of Truth, we take the inspired Word of the Bible as our sufficient guide to eternal life." (497: 3 and 4)

EAST OF RAILROAD TRACKS

U.S.A. AND THE I.W.A.

Senator Frank Carlson, of Kansas, says that the United States congress is not likely to approve of a renewal of the International Wheat Agreement unless the maximum and minimum prices are increased. The present agreement provides for a maximum price of \$1.80 and a minimum of \$1.20.

Senator Carlson will be an influential figure with the new administration. In an address to the Farmers' Union Terminal Association he said that this past year the United States paid a subsidy on wheat sales under the agreement of 68 cents a bushel, and one of the main objections to the agreement is the cost to the U.S. treasury at a time when the federal budget is very high. The senator pointed out that without an agreement wheat

THE CORONATION

Something special should be done to mark the Coronation in Canada, says B. K. Sandwell. "We can't possibly have a Canadian, or even a Canadian inauguration, for the Governor-General he is, after all, only a deputy, though even at that we might make a little more noise about swearing him in. But something should happen in Canada, and something more than a mere proclamation, when a new Queen of Canada enters her realm for the first time."

marketing quotas and controls might have to be put into effect in the United States. For that reason the administration would be well advised to do everything in its power to negotiate a new agreement. But such an agreement he said, must contain realistic prices acceptable to the people of the United States and the U.S. congress.

Taking advantage of their friendship, this cat forgets table manners and digs into the lunch of Hula, a four-year-old chimpanzee in the Nuerberg, Germany, zoo. The cat, a zoo hanger-on, senses Hula's good nature and shares her food with impunity.

Notes From D.A.

Planning the Farmstead

Whether time is planning time, and there is no time like the present to give some thought to the farm home and its surroundings. Pencil and paper are the first requirements, according to P. D. McCalla, Supervisor of Horticulture, Alberta Department of Agriculture. Why try to carry it all in your head? he asks. It's so much easier to put down your ideas in black and white. Once you have the basic plan before you, you can refer to it again and again and make any changes that occur to you.

Mark off your paper into convenient squares, advises Mr. McCalla. Twenty rows to the inch is a suitable scale. When this is done put in your house, barn, shelterbelts, and other permanent fixtures. What about your poultry house, granaries and hog house? Can they be moved to improve the set-up? The same goes for gates, paths and fences. Have they been constructed for convenience and stop saving, or have they just grown into their present position? Is your garden in the best place? What about more shelterbelts, and where will you put them? All these and many other questions will occur once you have something definite before you.

All the time you are planning, keep in mind that you are working towards something permanent. It is not something you can hope to complete this year or next. Next year you will add this, the following year that, until gradually your ideas take shape and the farmstead of your dreams becomes reality. If guidance is desired, useful information about planning the farmstead can be found in the Alberta Department of Agriculture's booklet, "Farmstead Planning." Copies can be obtained from my office.

The Dominion's largest lake is the North West Territories Great Bear.

Be Proud Of Your Business

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel—proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

PHONE 12 — DIDSBURY

Letter To The Editor

Jan. 9, 1953.

Sir:

The Alberta Tuberculosis Association will appreciate the use of your columns to point out to your readers the situation of the provincial TB Christmas Seal campaign, which at this point is \$32,500 short of the objective of \$210,000.

Red Deer and Central Alberta have to date contributed about \$14,250 towards their own district objective of \$18,650. This is a commendable showing, but the shortage, together with similar shortages in all other Alberta districts, leaves our anti-tuberculosis work in a position that endangers our effectiveness unless the people of Alberta come through in the traditional Alberta manner and

again put us over the top.

Please let me emphasize that we must reach our 1953 objective or else curtail some essential service. Our regular budget for health education, vocational training and rehabilitation, x-ray surveys, tuberculin testing, nursing and welfare services, seal sale supplies, etc., will require at least \$20,000 worth of x-ray units in several more hospitals in Alberta for routine chest x-ray of admissions. This program has already saved many lives, not only from tuberculosis, but also from heart diseases, cancer and other conditions.

We hope you will place this appeal before your readers prominently, in the interests of good public health in Alberta.

Sincerely yours,

T. A. Shandro, President,
Alberta Tuberculosis Ass'n.

Half of all Canada's dentists graduate from the University of Toronto.

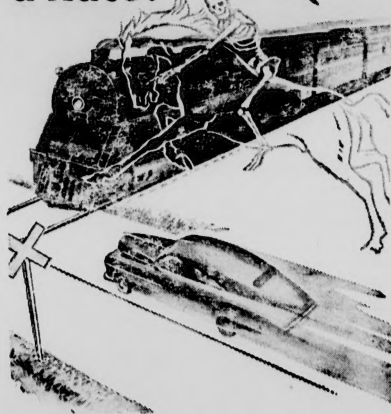

LAST RITES FOR MRS. CLARKE

A large crowd attended the funeral of the late Mrs. Marjory Ellen Clarke, held in the Knox Church, Didsbury, on Wednesday, January 7th. Floral tributes and numerous donations in her memory, to the Memorial Fund testified to the affection and respect of a large circle of friends. Mrs. Clarke's sturdy independence of character, cheerful humor and strong Christian faith will be long remembered. In spite of a delicate heart condition she continued active up to the time of her sudden passing at the home of her son, Ernest, where she had gone for a brief visit.

She was born in 1872, in Hants County, New Brunswick and grew up in the Maritimes. She was married to Norman S. Clarke, who predeceased her in 1942. The Clarks came to Sunraysia in 1901, and to the Didsbury district in 1907. Throughout a long and useful life her chief interest centered in the church and in the home.

The funeral service was conducted by Rev. C. C. Armstrong and interment was in the Didsbury cemetery.

This is no time for a Race!

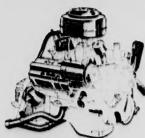

The 1953 Dodge Coronet V-8 is styled for action... more streamlined... more compact... yet with more passenger and trunk room than ever. It's designed for action to provide a road-hugging, curve-holding ride, new steering ease, wonderful maneuverability. It's powered for action with a new 140 h.p. V-8 engine of the famous "dome-shaped" design (as described below)—that gives astonishing pick-up and smooth, sustained speed.

featuring the sensational new 140 h.p. red ram V₈ engine

This new V-8 engine brings you the triple power advantages of "dome-shaped" combustion chamber... short stroke design... high lift lateral valves—a design universally recognized as the ideal for power and economy. It provides more power per cubic inch displacement than any other mass-produced engine... more fuel energy goes into power, less is wasted in heat and friction.

Cyclo-Matic transmission is standard equipment—giving you no-shift driving at its best. Cyclo-Torque transmission — for extra bursts of speed from "get-away" to 45 m.p.h.—is available at extra cost.

GOVERNMENT BUSINESS

The Water Resources of Alberta

In the best interests of our citizens, present and future, your government carefully conserves the water resources of Alberta. The Water Resources Act and Regulations provide that applications for the diversion of water for any purpose are subject to precedences for the following purposes—Domestic, Municipal, Industrial, Irrigation, Water Power.

Alberta's conservation and development projects include:

LAND STABILIZATION PROJECTS:

To prevent or retard depletion of surface and ground water supplies, structures are being placed in the outlets of Alberta's major lakes. Pipes are inserted through the dams to maintain steady flow in the outlet crevices. These projects have a water conservation value as well as providing a habitat for fish and game. In co-operation with Ducks Unlimited, a total of 29 ponds have been built since 1946.

ASSISTANCE TO IRRIGATION DISTRICTS

The Alberta Government designs and helps to construct laterals for smaller Irrigation Districts created under the Irrigation Districts Act. Irrigation Districts at Meekwood and Ross Creek have been assisted. The Alberta Government has spent more than \$4,000,000 on the St. Mary and Milk River Irrigation Development, and expects to spend another \$3,750,000 on the Big Horn Irrigation project. Distributory Canals are also planned for the Bow River Irrigation Development.

WATER POWER IN ALBERTA

In 1922 there was 49,450 developed horsepower with 155,000 more feet of storage. By 1952 there was 309,060 developed horsepower with 585,000 acre feet of storage.

AN OPEN LETTER TO MR. MOTORIST

Dear Driver:

Today is another school day and my little son will be attending as he has done for the past few months. He'll probably be wearing the regulation jacket and breeks. He'll have on overshoes, which look too big for him and seem to make him a bit awkward. If it isn't too cold his little "sis" will be out in front of the house complaining because she can't go along.

Every night, when time permits, we talk about what went on in school during the day, and he gets out his blackboard and goes through the laborious task of writing from one to one hundred. We talk about other things besides school. There's a million things in the mind of one so tiny and it would take more than my meagre knowledge to answer the scores of questions which seem to accumulate from nowhere.

He's upstairs now dreaming about things we adults no longer know anything about. Before he was tucked in I cautioned him about the speed he travelled crossing the road to school, the reason why he should stop, look and listen. But you can figure it out as well as I how difficult it is for a youngster to absorb such lectures.

The point we're trying to get across is, please be careful when driving in a zone where small children are playing or going to school. Just the other day I live within sight of the school I came very close to seeing a young life snuffed out when a wee girl dashed across the road in front of a loaded truck. You fellows wouldn't hurt her or my little son on purpose, that I know.

When something was wrong with his bike or wagon, when he needs a little help with something around the house, I can usually get things working to his satisfaction. But, fellows, I can't be with him all the time. I have to work for his clothes and education, so will you help me look out for him. Please drive carefully. Please drive slowly past the schools and intersections... and remember that children do run from behind parked cars.

When all these little ones, boys and girls, leave their homes they are in your hands, let's keep them all in one piece.

Thanks for listening,

Your Neighbor.

BOARD
NOTES

W.K. Snyder,
 Field Supervisor

Meadow Spittlebug: Spittlebugs attack alfalfa and other legumes. It is estimated that farmers may increase hay yields in heavily infested areas as much as 50 to 90 per cent just by controlling this one kind of insect.

Young spittlebugs puncture plant stems and suck out the juice. This starts the plants in, in not days, heavily infested plants wilt and, because of the spittle, hay may mold unless cured an unusually long time. Longer curing may cause further loss of leaves.

You will find the yellow or coral-colored immature bugs first in tiny specks of foam or froth in the crown or on other parts of the growing plant in April or early May, just after they hatch out from the eggs laid the previous summer on straw or stems on the ground.

This froth, almost pure plant sap, protects the bugs from natural enemies. They continue feeding on young, tender plant parts as they travel upward, always enlarging the spittle masses, through May until hay is mowed.

Around June 1 the bugs develop wings and swarm over the fields as brown or gray wedge-shaped, quick-jumping jumpers which eat only small amounts of hay crops. Until well into August the adults lead a gypsy life from field to field. In late August and early September, they become stay-at-homes, gluing their eggs to straw and plant stems to overwinter.

BUY POTATO SEED
STOCK EARLY

Potato growers are urged to take a look at their seed for spring planting, advises W. Lobay, Supervisor of Crop Protection, Alberta Department of Agriculture. During the past two years good stocks have become scarce before spring, and a significant percentage of the 1952 crop has already been sold for commercial use.

Mr. Lobay also stresses the importance of selecting seed stocks free from bacterial ring rot and other diseases such as blackleg, leaf roll, and various viruses. The best assurance of good seed is to buy certified stock, he says. Such seed will not only be free from disease, but will also increase the proved potato stocks for sale are yielded. Lists of growers with available from the Field Crops Branch, Alberta Department of Agriculture, Edmonton.

Naturalists say lichens, growing on rock across Canada, may be the oldest living thing on earth. Their annual growth is microscopic.

ARTHRITIC PAIN

Don't suffer night and day with dull aching pain when you're standing, sitting, or lying down. Try the new, revolutionary T-R-C's. Canada's first and only proprietary medicine specially made to bring about relief of arthritis from arthritis or rheumatoid pain. T-R-C's.

TEMPLETON'S T-R-C's

Flying Horses

Australian thoroughbreds can now fly to race meets in what must be a new high in horse luxury. A transport plane has been fitted up with aluminum boxes, upholstered in red leather, as private suites for six fortunate equine passengers.

Could be that the boxes are made from Canadian aluminum, which is shipped all over the free world. This huge export market has helped make possible Canada's king-size aluminum industry, and the growth of more than a thousand independent Canadian manufacturing companies which turn this low-priced, versatile metal to thousands of uses. Aluminum Company of Canada, Ltd. (Alcan).

BOARD OF TRADE
CHRISTMAS TREE FUND

Following is a statement of expenditures for the Didsbury Board of Trade Christmas Tree for youngsters of the district. The affair was very well attended and "Santa" missed none of his eager fans.

LIQUID FERTILIZERS SHOWS
NO VALUE FOR WHEAT

OTTAWA — Experimental
evidence shows that there is no
benefit from the use of liquid
fertilizer as seed dressings for
wheat or other grains according
to tests conducted at Scott
Experimental Station.

Agronomist, H. Ukrainetz, points
out that fertilizers are used on
the prairies mainly to provide
additional phosphorus for crops,
as phosphorus is the element
generally lacking in the soil.

One gallon of the common 5-10-5 liquid fertilizer contains
about 1 1/2 pounds of phosphate.
Treating seed at the rate of one
gallon of liquid fertilizer per 8 to
10 bushels, and seeding at one
and a quarter bushels per acre,
supplies about 0.20 pounds of
phosphate per acre to the crop,
assuming that all the phosphate
applied is utilized. This is an
almost insignificant amount, be-
cause a thirty bushel crop of
wheat removes about fifteen lbs.
of phosphate from the soil.

Experiments at Scott in 1950
and 1951, have shown no signifi-
cant increase or decrease from
the use of liquid fertilizers alone
applied to the seed at the re-
commended rate of one gallon to
eight bushels of seed. In 1951 the
check, 5-10-5, and a water treat-
ment at the same rate, resulted
in yields of 27.3, 28.3 and 25.6
bushels per acre respectively. But
11-48-0 ammonium phosphate at
twenty pounds per acre resulted
in a significant yield increase of
6.3 bushels per acre.

Experimental evidence shows,
says Mr. Ukrainetz, that there is
a relationship between yield in-
crease and amount of fertilizer
phosphorus taken up. At Scott,
eleven years results show that an
increase of three to four bushels
per acre of wheat may be expected
from the application of twenty
pounds of 11-48-0. This supplies
about 9.6 pounds of phosphate.
The cost of twenty pounds of 11-
48-0 at current prices is about
\$1.06, whereas to supply the same
amount of phosphate in the form

Mrs. J. Hughes
Entertains Institute

The first meeting of the New Year
of the Westcott W.I. was held at the
home of Mrs. J. Hughes with Mrs.
Cliff Ekstrand as co-hostess. The
meeting was held on Tuesday, Jan.
6 as the usual date fell on New
Year's Day. Despite the cold day
there was a good attendance of 21
members and two visitors.

The vice-president, Mrs. J. Robert-
son, opened the meeting with the
singing of O Canada and the creed.
The roll call was "My Thoughts"
when repeating the W. I. creed.

The secretary, Mrs. Ed Klinck
gave the financial report and with
the books up to date she reported a
fair amount of funds to start the year.

It was moved that 50 cents per
member be sent to the A.W.I. fund to
help with expenses.

A Christmas card was received
from our corresponding W.I. in Eng-
land, with all the members names
on it.

Plans are being made to have
Miss Smith at a future date to give
a demonstration on "Be-Makes Can
Be Fun."

Several songs were sung, after
which Mrs. L. Vogel gave as her
Canadian industry paper "The Won-
der of Cellulose." We all learned a
great deal from her well chosen
topic.

Mrs. Cliff Ekstrand showed pic-
tures for her five-minute talk of the
last coronation and the beautiful
robes and crowns that were worn.
Mrs. Alex Robertson for the cur-
rent events gave the highlights for
all of 1952.

The meeting closed with God
Save the Queen, after which a
lovely lunch was served.

of 5-10-5 liquid fertilizer would
cost more than \$20.00.

Experiments with foliage appli-
cations of liquid fertilizers to date
have produced extremely variable
results, and no conclusions are yet
available.

Available are 10 completely redesigned body types, including three four-door sedans, three two-door sedans, three station wagons, two sport coupes, two club coupes, two convertibles and a business coupe. Many new exterior colors, new and luxurious interior finishes and enlarged front and rear vision are featured. A re-engineered Powerglide automatic transmission for greater operating economy and faster pickup; Power steering; and the Autronic Eye, an automatic headlight dimmer, are big car features offered as options at extra cost. A choice of two new engines (the increased horsepower is also available. Shown here is the Bel Air four-door sedan.

Through The Study Window

Rev. C. C. Armstrong

Conference business, in Edmonton, meant that I had to miss the bonspiel, much against my desires. However, the trip had its compensations.

The manse has been refurbished, including a new rocking chair. This week we have also been able to secure a new Milk Disposal Unit, female type, weighing about seven pounds, shipped by the Department of Child Welfare. This is the third unit in our family, but the first one of its type. She has the usual standard fittings, intake and exhaust, including reversible fuel pump. The Unit will run for about four hours on a full tank of fuel; has the fluid drive transmission; bottle-type muffler and air pressure alarm system. Already the household schedule has been modified because of her presence. Further adjustments will be necessary. Those who are qualified to take care of this type of equipment will be required more urgently than ever, especially on Sunday, as these units require extra care. Both the Sunday School class and the Mission band will need to be readjusted. Consultation with the Lady of the manse may produce some solution. But the real solution to the problem of readjustment is not in the manse alone but in the willingness of the congregation to assume additional responsibility.

We are happy to have a little girl in our home. Back of this happiness, however, there is a sombre backdrop. One is mindful of those whose yearning for a child of their own has not been satisfied. As one considers the wistful desire of prospective parents for a child of their own has not been satisfied. As one considers the wish to be fulfilled. At the same time, one is concerned for those whose uncontrolled passion has resulted in the birth of a little one who is denied the right of a home of her own. However much we love children, the cost of our happiness is measured in tragedy. Every young man and every young woman, whether single or married, must come to the conviction that true happiness does not come through the uncontrolled expression of emotional drives, such as sex desire. Nor does it consist in having or not having children. It lies in the harmony of will and purpose that comes to those whose life is dedicated to the fulfillment of the will of God.

O.S.A. Notes

Olds School of Agriculture
and Home Economics

George S. Hughes of Vegreville joined the instructing staff last December 1 to teach field husbandry and botany. He graduated with a B.Sc. in Agriculture from the University of Alberta in 1950. He taught physical education and botany at the Olds School in 1951-52, then returned to his farm at Vegreville. Mr. Hughes is replacing Vance E. Molsberry who has accepted a position with Chipman Chemicals.

Edwin E. Rogers joined the O.S.A. staff on January 5 to assist with supervision of men's residences and athletic activities. Mr. Rogers was born in St. John's New Brunswick. He served four years in the first world war and attended the University of Toronto for two years. He was employed in recreation work and youth training until the outbreak of World War II, then served as an N.C.O. in charge of education and recreation activities with the veterans' guards at North Bay, Ont., for two years. Mr. Rogers was employed six and one-half years with the Dominion Department of Forestry at Seebe, Alberta, before joining the staff of Alberta Department of Agriculture six months ago.

The buds of Canada's balsam poplar are sticky and produce a wax used by wild bees to seal cracks in their hives.

GRAIN VARIETIES FOR ALBERTA

Three new cereal varieties are recommended this year in the report to the Minister of Agriculture, Hon. D. A. Ure, following the recent meeting of the Alberta Varietal Zonation Committee. Chinook wheat, Exeter oats and Velvon II barley are the new varieties.

Chinook is a sawfly resistant wheat with milling and baking qualities equal to Marquis. It is well adapted to the drier southern areas of Alberta. Seed stocks for 1953 are limited. Exeter oats is a late, high yielding, large seeded variety, with slightly weak straw. Velvon II is a medium late, six-

USED CAR BOOM

Used car prices have been steady. In Toronto after a three-month decline and seemed poised for an annual spring climb starting about March 1, reports The Financial Post. How far will they climb? And what will happen after spring demand drops and new cars continue to pour onto the market? Guess we'll have to wait and see.

rowed, smooth-awned feed barley. It is suitable for straight combining. Chinook wheat is recommended for zone 1; Exeter oats for zone 2A, and Velvon II barley for zone 2B.

serve Canada

Today, Canada must be constantly on the alert to meet any threats to our national security. Trained, armed strength is the safe way to guard our freedom.

and Yourself

With the Canadian Army Active Force growing rapidly, there is a great need for young men who can qualify as junior leaders. Ability and initiative find quick recognition and promotion in the Army. There are outstanding career opportunities for young men in the Active Force... valuable training, excellent pay and retirement plans, outstanding medical and dental care, travel, adventure and new friends.

in the Infantry

The Infantry is the backbone of the Canadian Army. Its soldiers, all highly trained technicians, are the most important men in our Army. There are many specialized jobs in modern Infantry for young men with an eye for adventure. Service with one of Canada's world-famous Infantry Regiments offers plenty of scope and challenge.

TO ENLIST YOU MUST BE...

17 to 40 years of age and able to meet Army test requirements. Applicants should bring birth certificates or other proof of age when reporting for interview.

Apply Right Away to:

No. 10 Personnel Depot,
Currie Barracks, Calgary, Alta.

WEDDINGS

Solinger-Brennan

The Rev. Dr. D. N. MacDonald will officiate at the wedding in St. John Presbyterian church, this afternoon at 4:30 o'clock of Lois Winnifred, the daughter of Mr. and Mrs. Harold Brennan and Ralph O'Gorman Solinger, Fonthill, son of Mr. and Mrs. Frank Solinger of Galt.

Christmas candles form decoration in the church for the service. Mr. Allan MacLean, organist will provide the wedding music.

The bride, whose father will give her in marriage, will wear a gown of Chantilly type white lace over white satin, fashioned with shirred strapless bodice over which is draped a stole, while her matching sweetheart headpiece trimmed with seed pearls, holds in place a finger-tip length veil. She will carry white carnations on a white Bible, tending her, the Misses Joyce Brennan, Philomina Solinger, Eleanor Brennan, and Lorraine Brennan, will wear similarly styled costumes in cherry red sheer over red taffeta, with white feather headpieces, and carrying bouquets of white baby chrysanthemums and pompons.

Mr. Jack Day, of Galt, will be the best man; and those ushering are the Messrs. Edward Solinger and Robert Solinger of Galt, and Mr. Lawrence Solinger of Owen Sound.

About 60 guests will attend the reception following at the Wentworth Arms Hotel. The bride's mother will be seated in a periwinkle blue dress with wine accessories, and a corsage of pale pink carnations, while the groom's mother will be in aqua shade with navy blue accessories, and a pink carnation corsage.

After a skiing trip to the Laurentians for their honeymoon, the bride and groom will reside at Fonthill. For travelling, the bride will be attired in a flamingo knitted dress, black velvet hat and black accessories, with a grey coat.

Miss Brennan went to school in Didsbury some twelve years back.

HOCKEY NEWS...

The Didsbury Ramblers are up and at 'em. They won two home games last week before good crowds. (Were you there?)

Don't forget the next home game is against Red Deer on **Saturday, January 24th.**

Ken Papke played outstanding games last week. Del Diebold and Glen Roberts are looking sharp. The fans are pulling for a quick recovery of Cec Papke after a bad leg sprain (hurry up Cec, the team needs you).

M.V.B.C. NEWS

(From Our Own Correspondent)

Welcome home again, Mr. Habermehl! This splendid cook is again busy in the kitchen and students and Faculty alike are happy to see her there. Mrs. Maynard Snyder and Mrs. Neil notified graciously helped us during Mrs. Habermehl's absence, and we surely appreciated their fine cooking.

Rev. and Mrs. Alvin Traub and Verma entertained Mrs. and Mrs. Taylor, Mrs. Lydia Suder, Mrs. Lyle Richardson and Miss Gladys Eby on Thursday evening for dinner. A very pleasant evening was enjoyed by all. We regret that Prof. G. Lyle Richardson has had to be hospitalized during this past week. We are looking for his return in College and hope that he will have fully recovered by the beginning of the week. Miss Margarita Sawatzky has been substituting for Mr. Richardson during the week in a most efficient manner.

Rev. A. Habermehl and Arthur Eby have been working on the cook's room in the basement this past week. This is greatly needed, and we appreciate the interest that some of our friends have been taking in it. We do need this interest to increase, however, before we can adequately finish it. Call in some day and see what is being done in the basement.

And that reminds us—have you seen the unit of cupboard space installed in the kitchen by Mr. Reimer recently? These are the kind of cupboards we need, and to have one unit is so worthwhile and convenient. If you are interested see Mrs. Habermehl about the remaining units that are being planned.

Report cards have been issued by the Registrar, and students now know their Grade point average. Miss Iris Schlitt is to be congratulated on her standing among the students. She had the highest Grade point. Close runners up were Joyce Burkholder, Ruth Eby and Marion Eby. Altogether there were thirteen with Grade point averages over 3.0 in the Bible Department and three in the Music Department of the College.

Westward Ho Beef Club Meets

The members met at the home of Joe Ness for another club meeting. The leader, Mr. Tony Spooner was absent but all 16 members were present as well as 12 visitors.

The meeting was opened and the minutes of the last meeting were read and discussed. Dale Dodd adopted the minutes as read, seconded by Norman Spooner. The roll call was called which all members answered including a new member Clara Strand.

The club would like to extend a hearty thank you to Harold Conway, Howard Broad, Valdes Bros. Scarlett's General Store, Clarksons, Turnbull Bros., Lindsay's General Store and A. J. Johnston's General Store for donating many useful things to the club.

Bruce Grant made a motion we should raise all things donated. Seconded by Don McCracken. The vote was carried.

Boyd Ness gave a very interesting report on "Ball Grading". Peggy Rock also gave a report which was on "Showmanship". Mr. McPhail thanked them for their interesting reports and appointed Arthur Knights, Dale Dodd and David Gibbs to give reports at the next meeting which is to be held on February 7th at Dodd's.

It was decided we would have a card party with entertainment to raise money. Peggy Rock suggested we have a box social after the card party. Everyone was in favor. It is to be held the night of February 27th at the Westward Ho school.

Arthur Knights moved the meeting adjourned, seconded by Darlene Dodd. All were in favor. Following the meeting a delicious lunch was served.

Letter To The Editor

Editor, Didsbury Pioneer

May I through the columns of the Pioneer report on how we are getting along with the work of getting an Old Folks Home started. We have as a committee, inspected our different premises and decided to try and raise sufficient funds to buy the house owned by Mr. A. Reiber as in our opinion it is much better located and also on the town water line. Mr. Reiber has been good enough to give us until April 1st to raise the necessary funds. We are now appealing to the public to donate to the project and save a lot of canvassing. For response to Mr. Weber's appeal of some time ago less than \$400.00 has been paid in. Mr. Weber has each directed a list of donations promised and since I became chairman I have succeeded in getting another \$800.00 promised which makes approximately \$7,000.00. So if those already contacted give as generously another \$800.00 we can save a lot of canvassing. For response to Mr. Weber's appeal of some time ago less than \$400.00 has been paid in. No Amount of Magic Substitutes for "KNOW-HOW"

Depend on Our JOHN DEERE Service for

Quality Service... Economically Done!

Hokus-pokus or magic wands won't fix tractors and other farm implements. It's "know-how" that gets the job done right.

You can be sure of getting quality service at our shop. Each of our mechanics is experienced in servicing John Deere Tractors and Equipment. But that's not enough! They're required to attend frequent schools where they're taught servicing techniques recommended by the engineers who design John Deere Equipment.

What does this mean to you? Plenty! It means service work on your John Deere Equipment will be done quickly and efficiently. Only the necessary work will be done and it will be done at the lowest possible cost.

Call us for a free service estimate; we'll be glad to talk with you... anytime.

BUY ONLY GENUINE JOHN DEERE PARTS - THEY FIT AND WEAR LIKE THE ORIGINALS!

Little Items of Local Interest

Mr. and Mrs. A. F. Foote of Lacombe spent the weekend at the home of Mr. and Mrs. C. F. Nicholl.

Recent visitors with Mr. and Mrs. Jim Hooper and Mrs. Elma Good were Mr. and Mrs. Jim Good of Carstairs. Mr. Ira Snyder of Preston, Ont., Mr. and Mrs. W. L. Snyder and daughters of Jordan Station, Ont., Mr. Richard Snyder of Three Hills and Mrs. Emma Steekle of Didsbury.

Mrs. T. M. Hamblin of Lethbridge, Mr. and Mrs. S. Hay of Carleton Place, Mr. and Mrs. John Richards of Red Deer and the Misses Marilyn and Shirley Hay of Calgary were Sunday visitors at the home of Mr. and Mrs. Ray Campbell.

Mrs. Ed Ford and Geraldine are visiting in Calgary this week.

Those from here attending the Shrine convention in Calgary last week included Messrs. Sam Krueger, Art and Clint Reber, Howard Halliday, Bob Eubank and James Kirby.

Mr. George Campbell reported seeing a Meadow Lark on Jan. 17. Who says this isn't the banana belt?

There will be a novelty dance at Rugby hall on Friday, February 13.

Scoring averages released by the Central Alberta Hockey League for Saturday, Jan. 10, show three local players in the top ten. Ron Leismir is second, Cec Papke holds down fifth position and Dai Diebold is in tenth place.

Births At Didsbury Municipal Hospital

To Mr. and Mrs. George Pieper, Didsbury, on January 16, a daughter.
To Mr. and Mrs. E. Begner, Carstairs, on Jan. 15, a son.

MRS. ARMSTRONG HOSTESS TO KNOX UNITED W.M.S.

The Women's Missionary Society of Knox United Church met at the manse on Monday evening for the regular monthly meeting. Installation of 1953 officers was conducted by the minister, Rev. C. Armstrong.

The devotional period was given by Mrs. Bruce Parker and the study by Mrs. Reid Clarke. The February meeting will be held at the home of Mrs. C. F. Nicholl.

BOY SCOUT NEWS

Did you know that Scouting has attracted boys in over 70 countries? Did you know there are over 5,000,000 Boy Scouts throughout the world? Yes, in practically every country in the world, with the exception of those behind the "Iron Curtain" boys are being helped to grow up into accountable, decent citizens.

What are the statistics for Canada? There are over 115,000 Scouts enrolled in Canada. Helping these boys are over 13,000 men who give their time week after week in friendly and helpful leadership.

Are there other workers besides uniformed leaders? Yes—group committees, local associations and council members numbering more than 25,000 across Canada. With the uniformed leaders they give over 1,000,000 hours a year, voluntarily, to the Canadian boys.

Across Canada there are some 65 paid Scout and Field Commissioners. The Executive Commissioners administer the various headquarters and the Field Commissioners travel extensively, organizing new groups and servicing those already in operation.

Now Scouting pays—but Scouting costs. You are asked to support.

Please watch this column next week for another article on Scouting.

"No man stands so straight as he who stoops to help a boy."

ENGAGEMENT ANNOUNCEMENT
Mr. and Mrs. M. N. Romy of Sundre wish to announce the engagement of their only daughter, Brenda Adriana, to Mr. Allan Bryce Frizzell, only son of Mr. and Mrs. W. B. Frizzell of Cremona. The wedding will take place Wednesday, Feb. 4 at 2:30 p.m. in Sundre United Church.

NOTICE
Resident non-ratepayers wishing \$100-a-day hospitalization for 1953 must purchase a contract at \$8.00. Contracts may be purchased during January at the office of the Didsbury Municipal Hospital.

SITUATION WANTED — Young woman requires job in office. Can do typing and bookkeeping. Apply Doreen Clarke, c/o Harold Wood, Phone 170.

CARD OF THANKS
I wish to thank Dr. McKenzie, the matron, nurses and hospital staff for the loving kindness shown me during my stay in the Didsbury hospital.

MRS. HENRY H. HAMM

IN MEMORIAM
Lou Boles, who passed away January 21, 1950.

"He made no one a last farewell. He said goodbye to none. The heavenly gates were opened wide."

And a lovely voice said "come".
Sadly missed by wife, Estella and Ron.

Mrs. Sid Fox was a Calgary visitor on Tuesday.

RED DEER LIBERAL ASSOC. HOLDS EXECUTIVE MEETING

An executive meeting of the Red Deer Liberal Association held in the Legion hall in Olds on Monday afternoon set Wednesday, March 4 as the date chosen for the holding of the party's nominating convention in the constituency. The convention is to be held in Innisfail and arrangements are being made for a prominent speaker.

In addition to the naming of the candidate, the association will elect its slate of officers at the same meeting.

In charge of arrangements for the convention is a committee headed by Will Edgar of Innisfail. The members of the committee are: Dr. S. R. Dunn, Red Deer; Henry Stelios, Rocky Mountain House; W. B. Miller, Olds; Martin Winther, Huxley and Clint Reber, Didsbury.

Arrangements for the registration of those attending was left in the hands of a committee headed by Ken Rimmington of Innisfail.

The convention is to be an affair with all those attending and registering being eligible to vote.

MUCH DEPENDS ON THE SEED YOU SOW

Don't put off consideration of your seed grain requirements, advises R. L. Pharis, Supervisor of Crop Improvement, Alberta Department of Agriculture. Even though you may have lots of grain in the "bin there is much to be done before it can be considered fit for seed. Cleaning at the very least is required. But before cleaning, make sure that your grain is worth the effort. Weeds are one problem; mixtures are another. Unless your grain is true to variety, it might pay to buy fresh seed this year.

If you are making a change, there is no better time than now to buy the best. Registered and certified seed can be obtained on order from the nearest elevator agent. District Agriculturists will be glad to advise about suitable varieties and to offer any further information desired. Pedigreed seed costs a little more, but it pays for itself in yield and quality.

Coming Events

—There will be a meeting of the local F.U.A., No. 1009, on Friday evening, Jan. 23, at 8 p.m. at the home of Mr. and Mrs. W. Z. Schneider. Members and their wives please attend. Visitors welcome.

—The Ladies' Sports Club are sponsoring a dance at Lone Pine hall on Friday, Feb. 13, music by Melody Five. A door prize will be drawn for.

—Eric Battledge, optometrist, associate of K. Roy McLean, announces date of his next visit as Monday, February 2, morning only, at the Rosebud hotel. Consult in city office, 2014 Greyhound Bldg., daily.

—A Valentine tea and food sale, sponsored by the W.A.'s of the United Church, will be held Saturday, Feb. 13 at 2:30 p.m. in the Lions hall. Coffee bar for the men. Plan to come.

—You are welcome to attend the newest steps in modern square dancing at the Westerdale hall on Thursday, Jan. 22, commencing at 8:30. Bring your own lunch, coffee will be served free.

—The annual meeting of the Didsbury Fish and Game Association will be held in the Lions hall on Monday, Jan. 26 at 8 p.m.

—A whist drive sponsored by the Burnside Anglican Church will be held at Burnside school on the evening of Jan. 30. Everyone welcome.

HOLD JANUARY MEETING LONE PINE ORIOLES

A group of young girls met at the home of Grace and Eileen Weber on Jan. 16. The meeting opened with "It's Springtime In The Rockies" and "The Band Played On."

The creed was then read, with the minutes following. Roll call was answered by 11 members and three visitors. Program books were then judged by the visitors, with Patsy Spragg winning the seniors and Beverly Thompson winning for the juniors.

A motion was made for the girls to take in the Ice Cream show in Calgary on Jan. 30. Motion passed.

A suggestion was made that the girls would use the scraps from the shirts to make handkerchiefs.

Mr. Harold Shields demonstrated how to dress a bed doll. A very delicious lunch was then served by the hostesses.
